

Amendments to the Specification:

Please replace the paragraph at page 29, lines 5-8, with the following rewritten paragraph:

- Table 1: Compounds of the general formula (I) according to the invention
in which the substituents and symbols are defined as follows:

$$R^{1c} = H$$

$$R^4 = H$$

$$R^5 = [[Et]] \underline{Me}$$

$$R^6 = H$$

$$Y = O \text{ -- .}$$
